

Accessories Catalogue 2014

Sparty

Sparty is an ultra-comfortable, durable, no-slip water-resistant armband to carry what you need during your longest run or toughest work-out. This lightweight and comfortable armband was designed specifically for most large smart phone. It maximizes comfort with a design that helps keep the back of the case laying flat against your arm so it is not lumpy. Your arm actually pushes the device into the case which is way more comfortable then the case pushing the device into your arm. Inside pocket, Earphone hole and Velcro strap complete the features

Cod: ARMB

Kiss

Kiss is an ultra-accessoriated waist band, designed for sport activities. Can carry what you need for a walk, a trail or a workout.

Comfortable to carry because of its particular design that dissipates the weight of the objects carried, through all the length of the item, avoiding to create uncomfortable zones. Easy to fit and very easy to close through the Fastex system.

Cod:WSTB

Whendy

Bicycle/motorcycle handlebar mount with water resistant protective case for big screen 4.3"-5.8" smart-phone or GPS. Hinged bicycle mount fits handlebars with a diameter between 18mm - 30mm.
